Gentlemen:

On May 13, 1987 an inspection of your facility was conducted by Randy Ballard representing the Illinois Environmental Protection Agency. This inspection was conducted in accordance with Section 4(c) and 4(d) of the Illinois Environmental Protection Act: Ill. Rev. Stat. 1985, Chapter 111 1/2, pars. 1004(c) and (d). The purpose of this inspection was to determine your facility's compliance with the Illinois Environmental Protection Act and 35 Illinois Administrative Code, Subtitle G, Part 807: Solid Waste and Part 809: Special Waste Hauling Regulations.

The attached inspection report specifies the date and time of the inspection along with other relevant information. Items numbered one (1) thru forty-four (44) represent requirements established by the Illinois Environmental Protection Act and/or 35 Illinois Administrative Code, Subtitle G, Parts 807 and 809. At the time of the inspection apparent violations were identified. The specific apparent violation(s) is identified with an "X" on the attached inspection report.

The purpose of this letter is to inform you of the apparent violation(s) and inquire as to your plans to correct the apparent violation(s). Please submit in writing, within fifteen (15) calendar days of the date of this letter, the reasons for the apparent violation(s), a description of the steps which have been or will be taken to correct the apparent violations.

Your response should be sent to:
